BALL CLUBS NOW FIGURING THE CHANCES

Stars Lose Most Men This Year Owing to Barnstorming Trip of All-Chinese:

With the announcement of the Senior League schedule, ball fans have begun to sit up and take notice. May is a long way off, but there is plenty of preliminary figuring and fanning to do, and by the time the five clubs take the field for the first half of the season, the bleachers and grandstanders will be tumbling over each other to contribute at the box office.

There have been any number of scattered games throughout the winter season, but, after all, league ball, where the fans can follow the fortunes of their favorites from week to week, is the only thing that really stirs up interest.

The champion Hawaiians will open with nearly the same line-up. They lose Willie Desha, who has gone to live on Hawaii, but in his place they have signed the speedy En Sue, who was unable at the last moment to make the trip to the Coast with the All-Chinese team.

The Stars suffer most from the departure of the Chinese players, losing three of their best men in Kan Yen, Lad Tin and Apau. However, if Barney Joy's break with Spokane is permanent, they will have his services for another year.

The J. A. C. team will be strengthened by the addition of Bill Hampton, the old Punahoa star. They will also get several players from "down the line."

There was talk of Bushnell being lost to the Portuguese, as he was a prime mover in the organization of the projected Spalding team, but now that the new club has gone by the board, he will probably don a P. A. C. uniform again. Bushnell also spoke of quitting the game this season to become a regular umpire, but it is probable that the league will adhere to last year's rule, and select umpires from the non-playing teams. Bushnell, Joy, Notley and Chillingworth are about the best indicator holders in these parts, but all are good players as well, and can not be spared from their respective teams for permanent arbitrators.

The Asahis will have the same speedy team that batted out a victory in the Junior League last year.

As the result of the mistrial, the famous Kimmel identity and insurance case will be presented in the courts for the fourth time in May.

BARNEY JOY NOW OUT IN THE COLD

Local Player at a Loss to Understand Why Ticket Was Cancelled.

Barney Joy is doing some hard thinking. Instead of being merrily on his way to join the Spokane Indians with every prospect of a successful season in the Northwestern League, the crack Honolulu pitcher is "saulking in his tent" and trying to figure out why he has been thrown down at the seventh vent.

Barney was to have reported to Spokane March 10. But the club management evidently did not reckon with the steamship schedule and the long gap between Pacific Mail boats this month. Transportation on that line was cabled some weeks ago, but there was no ship that Barney could get until the Mongolia, which leaves tomorrow, and which would put the local player on the job about two weeks late.

When Barney went to claim his ticket, the agents informed him that it had just been canceled by cable, by the Spokane management.

So Joy is up against it and must wait until letters of explanation go back and forth. He thinks that Joe Colm of Spokane was poked when the middle of the month arrived and Barney did not, and that knowing he had cabled the transportation well ahead of time, the former thought that his leg was being pulled and crossed Barney off the list via cable.

Time alone will solve the riddle.

KAM STUDENTS IN GRADE MEET

The sixth, seventh and eighth grades of Kamehameha School engaged in a track meet yesterday afternoon at Boys' Field. When the smoke of battle drifted off it was found that the eighth had a long lead for first place, the scores being as follows: Eighth, 42; seventh, 22; sixth, 13.

The entry list was a large one, and commencing promptly at 1:30 it took until well along toward dusk to run off the card. Silk ribbons were given to the winners of the afternoon.

14. Middle won the 50-yard dash in the good time of 5.4-5. In the hundred, Yoshiochi trimmed his field, covering the sprint in 12 flat. He also annexed the 220. A surprise was sprung in the 880 and the mile by George Bushnell, who came up from the ranks in the latter event and won as he pleased. In the half the finish was much closer.

Miss Branco and Lo Kim awarded the prize ribbons. Mrs. Amoy and Miss Johnson acted as judges and Mr. Baldwin was clerk of the course and referee.

The score:
HONOLULUS.

The Honolulians took two games of the Brunswick-Balkes last night in one of the best matches rolled on the alleys for some time. The opening game set everybody on edge by its closeness, going to the B-Bs by the narrow margin of 4 pins. The rolling was low in this first spasm, but all was alike steady, and this lent the Hough ... 142, 149, 136, 427. The Brunswick-Balke crowd turned out with two new men in the line-up, Roberts ... 167, 141, 148, 456. The Honolulians' last game (902) is a league record.
